Re: 2020 FISU World Forum – Updated information

Dear Members of the FISU Family,
Dear Friends,

As you all know, this year, the FISU World Forum, originally planned in Budapest, Hungary, will take place online from 12 to 14 August 2020 and will focus on three main subthemes, namely:

- Health & University Sports
- Inclusion & University Sports
- Challenges in University Sports (Digitalisation, University Rankings, University Sports in time of COVID-19)

You will find attached to this communication the bulletin with most of the information necessary for your registration and attendance to the different sessions proposed by the Organising Committee, the FISU Education Committee as well as the FISU Education & Development Department.

Please note that the participation is free of charge and that we hope to see many of you online to attend this event. We invite you to register by 31 July 2020 through the link provided in the bulletin and we hope to see many students joining us, especially for the student project management sessions which will be hosted ahead of the FISU World Forum.

INTERNATIONAL
UNIVERSITY
SPORTS
FEDERATION

More details will be sent about the content of the different sessions in the coming weeks as well as information on the different speakers.

In the meantime, may you need any further information, please do not hesitate to contact our Education & Development Department (education@fisunet.net) .

Sincerely,

A handwritten signature in black ink that reads 'Verena Burk'.

Verena Burk
FISU Senior EC Member
Education Committee Chair
